Spotlight on. . Library Offers Cosmic Summer Programs for Youth

By Ms Kelly Desmond, Hurlburt Librarian

In celebration of the 35th anniversary of man's first walk on the moon, Hurlburt Field Library presents "Rocket into Reading". Join the library staff every Wednesday for Hurlburt's Summer Reading Program at the base theater. Rocket-fueled programs designed to send you to the moon will be held at 1:30 p.m. Pick up your free tickets at the library one week prior to each show. NASA is coming and so are comics and drummers. There will be crafts, games, prizes, a 3-D Mars tour, a moonwalk and a final party that is simply *out of this world* ! Weekly Story Hours at the library will be Thursdays at 10 a.m. Pick up your reading log at the library starting on June 1 and keep that knowledge revved. Five books at your current reading level will keep you on course for next year. Ten or twenty or even more could send your skills to cosmic heights!
